# DIALOGUE

a journal of mormon thought

Dear Friends,

Thank you for your continuing support for Dialogue. Your subscriptions and donations made our 48th year great. The journal thrives, the newsletter highlights not only the journal but also other timely sources and events, and the podcasts have been outstanding. Just this month Morris Thurston added terrific sessions with Adam S. Miller and Wes Johnson, one of Dialogue's founders.

And founders are on our minds. We are planning an exceptional conference for our 50th Anniversary in 2016. Stay tuned. You'll want to be there! We're also searching for the next editor who will inaugurate that anniversary year.

Your contributions have helped make Dialogue the premier journal of Mormonism as expressed in the widest possible genres. Your support today will help Dialogue continue to explore the certainties and the questions informing Mormon lives. Every subscription and every donation make a difference. Thank you for being a part of this important mission.

With best wishes,

Molly McLellan Bennion, Chair
