

# The 20/20 Leap

*William Passera*

I approach God—  
the distance is immense.  
My vision is clear,  
I am not.

Closer and closer,  
the distance is immense.  
My vision is clear.  
I am.

Dancing eyes find truth.

---

*WILLIAM PASSERA graduated from Tulane University, Tulane University School of Social Work, and the University of New Orleans with degrees in sociology, social work, and fine arts. His poems have appeared in such publications as The Independent Review, Hob-Nob, and Poetry Peddler.*
