JUST PUBLISHED!

Announcing a new print index of  
*Dialogue's* first 42 years.

**Scholars and students of Mormon thought  
have been without an updated print index of  
*Dialogue* for decades.**

Fortunately, they go without no longer. We are pleased to announce the print version of *Dialogue: A Complete Index*. Editors Denis and Joseph Corcoran skillfully abridged James E. Crooks's exhaustive, bibliographic digitized index to form this new print volume. Because of the central place *Dialogue* has held in Mormon Studies for more than four decades, we're positive this index—a handy treasure-trove of all things *Dialogue*—will prove to be the convenient, go-to resource for Mormon scholars.

*"I am delighted with the index and, despite the electronic revolution, believe that this is a long overdue contribution to Mormon studies, making 'Dialogue' yet more valuable."*

Val Hemming, Kensington, MD

*"Thanks for the big new 'Dialogue' index. It has been a long time in coming. It compiles an enormous amount of information into a printed index of manageable size. It will often be my first resort when looking something up."*

Armand Mauss, Irvine, CA
